MEETING: Trust Board 19 September 2007

TITLE: Trust Annual Report 2007/8

SUMMARY:

This paper consists of the Trust annual report for 2007/8, which has been approved by the auditors.

It was decided at a FT project board meeting not to print a professionally designed document this year, due to the quantity of print materials that had been prepared for the Foundation Trust consultation. The annual report will not be distributed but will be posted on the Trust website. The annual report distribution list will be informed of these new arrangements.
