

# Maternity Services

We're here for you from the very start of your pregnancy through to the birth of your baby and beyond.

# Early Pregnancy Unit

A consultant led unit supported by junior doctors, specialist nurses, ultrasonographers, nurses and senior healthcare assistants. We see 300-400 patients with early pregnancy problems every month.

**Betty Mansell Assessment Unit,  
Level 3 Kenwood Wing,  
Whittington Hospital.**

## Scanning clinics available

### Walk in:

9:00am - 12:00pm Monday - Friday

### Booked appointments:

2:00pm - 4:00pm Monday - Friday

### Opening Hours:

8:00am - 8:00pm 7 days a week

**Contact number:** 0207 288 3786

**Nearest tube:** Archway

## For patients:

If you are pregnant up to 18 weeks, with pain, bleeding, severe nausea and vomiting - walk in for an on the day review.

## For GPs:

We are happy to review patients urgently, please call ahead with patient details and we will confirm if suitable for review in EPDU or A&E. If urgent review is not needed, please call to book your patient in for a scan appointment.

We will be able to book you/your patients in for Whittington Maternity Care in the Early pregnancy Unit.
