COVID-19 Resources for Home and Education	
TechAbility	Great collection of useful links to technology and assistance, from all the main equipment suppliers and other sources.
HelpKidzLearn NEW Home Access Licence and free HelpKidzLearn Resources from Inclusive Technology	HelpKidzLearn are sharing free resources and have launched a Home Access licence to help parents gain access to HelpKidzLearn during the COVID-19 outbreak. This new license gives parents the opportunity to subscribe to HelpKidzLearn services on a monthly basis, at a reduced cost. Students will be able to continue learning with familiar resources, whilst parents are in control and have the power to cancel at any time.
ChatterPack Chatterpack's' Home Learning Resource Kit	Chatterpack has put together a fantastic and comprehensive list of inclusive home learning resources for schools and families. Scroll down for SEND specific resources and information, highly recommended!
CENMAC CENMAC Home Learning Information Page	Useful collection of links and resources. Includes a direct link to Charlton Park Academy's SEN resource areas which has some great downloads and links for helping with explaining coronavirus, educational resources and online games.
prAACtical AAC PrAACtical Resources: Dealing with the Covid-19 Pandemic	An interactive graphic with links to many free downloadable resources that can be used to support AAC learners. Includes visual schedules for handwashing, social narratives, videos, educational materials and more.
Learning Disability England Learning Disability England's Resources for Individuals and	A great list of information and resources about the virus and what can be done to stay safe, well and stay connected during this challenging time. For people with learning disabilities, their families, friends, professionals, organisations and allies.
