Qiimaynta Caafimaadka ee Ilaalinta Carruurta (Haringey)

Hagaha waalidka ama daryeelaha

(Child Protection Medical Assessment (Haringey)
A parent or carer's guide -Somali)

Waa maxay qiimaynta caafimaad ee ilaalinta ilmaha?

Qiimaynta caafimaadka ee ilaalinta ilmaha ayaa badiyaa lagu sameeyaa codsi daryeel bulsho. Ujeedada qiimeynta waa in la hubiyo in canuggaagu caafimaad qabo oo ammaan yahay. Waa fursad dib loogu eegi karo caafimaadkooda guud isla markaana wax looga qaban karo baahi kasta oo caafimaad.

Xagee ka dhacdaa?

Qeybta qiimeynta caafimaadka ee Isbitaalka St Ann's (fiiri dusha sare tilmaamaha). Tani waa aag gaar loo leeyahay oo loogu talagalay inay ka dhigto qiimeynta sida ugu macquulsan carruurta iyo qoysaskooda.

Waxaa jira goob cayaareed oo ay ku ciyaaraan carruurta da 'kasta ha ahaadeene waxaana la heli karaa shaqaale ilaalinaya ilmahaaga intaad dhakhtarka la hadlayso. Ilmahaaga ayaa sidoo kale la siin doonaa cabitaanno iyo cunto fudud.

Maxaa dhacaya qiimeynta dhixdeeda?

Ilmahaaga waxaa arki doona takhtar takhasus leh oo carruurta ah (dhakhtarka carruurta). Waxay ku bilaabi doonaan sharraxaadda ujeeddada qiimeynta waxayna weydiisan doonaan oggolaansho. Carruurta waaweyn waxaa laga codsan karaa inay u oggolaadaan caafimaadka laftooda.

Dhakhtarku wuxuu ku weydiin doonaa dhammaan dhinacyada caafimaadka ilmahaaga, oo ay ku jiraan tallaalada. Haddii aad haysato buugooda diiwaangelinta caafimaadka shakhsi ahaaneed (buugga guduudan /cas), fadlan horay u soo qaado.

Intee ayey qaadan doontaa?

Qiimeyntu waxay qaadan doontaa in ka badan booqashada GP-ga ama xarunta bukaan socodka, oo socon doonta ku dhowaad hal ilaa laba saacadood. Dhakhtarku wuxuu doonayaa inuu helo faham wanaagsan oo ku saabsan caafimaadka iyo ladnaanta ilmahaaga.

Maxaa dhacaya ballanta kadib?

Dhamaadka ballanta, dhakhtarku wuxuu kaala hadli doonaa qiimeynta adiga iyo shaqaalaha bulshada. Dhakhtarku wuxuu codsan karaa baaritaano iyo / ama ballamo adeegyo kale oo loogu talagalay ilmahaaga ama waxay ku weydiisan karaan inaad ku soo noqotid si aad u aragtid taariikh dambe.

Dhakhtarku wuxuu warqad u qori doonaa dhakhtarkaaga guud oo ku saabsan natiijada ka soo baxday qiimaynta. Waraaqdan waxaa sidoo kale loo diri doonaa kalkaaliyaha caafimaadka ee iskuulka ilmahaaga ama booqdaha caafimaad waxaana laga yaabaa in loo diro xirfadlayaasha caafimaadka ee ku lug leh daryeelka ilmahaaga. Warqadda waxaa sidoo kale loo diri doonaa shaqaalahaaga bulshada iyo kooxda CAIT ee booliiska haddii ay ku lug leeyihiin kiiska.

Qodobbo muhiim ah:

- Dhakhtarka ayaa kuu sharxi doona oo ku weydiin doona oggolaansho
- Ma jiri doonaan cirbado ama wax cabsi geliya ilmahaaga
- Dhakhtarku wuxuu dib kuu siin doonaa warbixinta marko shaybaarka caafimaadko dhammaado
- Tani waa fursad wanaagsan oo lagu soo qaado wixii walwal ah ee aad ka qabto caafimaadka ilmahaaga.
