## 0-19 Early Help Hubs

- we provide help and support to children, young people and their families from before birth, up to the age of 19 (or 25 if they have special educational needs or a disability)
- all families face challenges and sometimes need support. Early Help is about providing you with this at the right time
- we operate from 3 geographical areas or 'hubs', which enable us to be closer to where families live
- with our partners, we provide a range of services, some of which are accessible to everyone and others that are more targeted

More information about what is available and how to access support go to:
