Please find attached the Q2 governance assessment for the Whittington Hospital NHS Trust.

Also attached at appendix 1 a and b and appendix 2 a and b are the additional evidence on the two specific areas of governance of safe guarding and patient experience relating to same sex accommodation.

You will recall that the Q1 submission was submitted with the Chairman's approval but that he stipulated that it was to be ratified at the Trust Board in September. I can confirm that this has happened and attached at appendix 3 the Chairman's signature on behalf of the Trust Board for the Q1 submission.

Yours sincerely

Rob Larkman
Chief Executive
