Dear Peter,

Second inspection of progress made in the provision of safeguarding services in the London Borough of Haringey

I enclose a final copy of the progress report following your recent inspection. This report takes account of the points you raised about the first draft. The inspection team has provided a written reply to explain their response to your comments and I enclose a copy of that too.

I am very pleased to note the inspection has found extensive and consistent evidence of good progress overall.

The report has also been sent to the Secretary of State for Children, Schools and Families, and the Leader of Haringey Council. It will be published on the Ofsted website this morning.

Yours sincerely

Christine
