Title: **The Whittington Hospital NHS Trust annual report**

Executive Summary: Each year NHS Trusts are required to produce an annual report for the public. It should contain the principal activities of the Trust during the year as well as any significant changes. It also contains a summary of annual accounts and financial statements both for the trust and the charitable funds.

This document is for the Whittington Hospital NHS Trust and should be ready four weeks before the annual public meeting on 28 September 2011.

Action: For information

Report from: Siobhan Harrington, Director of Strategy/Deputy Chief Executive
